To go out where the sun shines.

Can you guess where there's a clue in the sun?

CLUE # _____

You're so good at finding these clues!

sometimes they're new,
Either way,
in one lies a clue.

CLUE # _____

Sometimes I have holes

But I keep your hands warm
when you're roaming about.

I might be in a coat,
I might be in a sweater,
I might be in a pair of pants
you wear in colder weather.

CLUE # _____

I have a handle,
a hot bottom and a hat,
I like sauce, soup, noodles
and things like that.

CLUE # _____

This is what wakes your parents up.
It's not an alarm or a phone--
but it fills up a cup.

CLUE # _____

I'm not a bed,
but I love blankets and pillows,
And you come here
to watch your favorite shows.

CLUE # _____

When mom says, "Clean up, dear!"
You put some of your favorite treasures here.

CLUE # _____

I am stinky and smelly,
but it's because of what's inside,
I am also a soft, warm place
for a clue to hide.
